Makes Learning Arabic Simple

Learn Arabic

The Easy Way to Learn Arabic as a Second Language

Learning such a rich language has never been easier before. people around the world used to think Arabic as a mysterious language and considered it very difficult to learn. Scholars, Orientalists, Non-native Arabic speaking muslims and business people wanted to learn Arabic each for his own motive. But no effective interactive materials were available until at last, SakhrMedia has developed the anticipated program, "Learn Arabic". Hence, learning Arabic has become very simple and enjoyable for all age groups; it will enable the user to write, speak and understand everyday Arabic words in no time.

Features:

Consists of 6 main sections; Dialogue, Vocabulary, Grammar, Drills, Games and Activities.

Trains the user on conversation practice.

Provides drafts writing of newly introduced words in each lesson.

Contains more than 10 types of interactive drills with multilevel of difficulty.

System Requirements:

IBM Compatible 486 or Higher.
8 MB RAM
MS Windows 95/98 or Higher
Sound Card 16 Bit & Speakers
CD ROM Driver
High Color

Makes use of authentic materials as it leads the user to the world of books, newspapers, magazines, television and radio record.

Includes live video clips, photos, clip arts, sound effects and narration for every day life interactions.

Follows the ACTFL standards of language teaching. **Price \$79.95**
